

## ***Meet Board Member Jennifer Facciani***

### ***When did you join the board?***

I joined the SAVE Board five years ago.

### ***Why did you join?***

At the time, SAVE was looking for a Treasurer and I was searching for a new non-profit Board opportunity. SAVE's mission strongly resonates with me. My mother died by suicide more than forty years ago.

### ***What skills to you bring to the board?***

My corporate career has been in finance, primarily within the financial services and construction industries. As the Treasurer of the Board, I work with the Executive Director and the Finance Committee to explain SAVE's financial trends to the broader Board and make recommendations about prudent financial policies. Having very personal experience with suicide also enables me to provide a unique perspective.

### ***What do you most like about serving on the board?***

I continue to be amazed and inspired by the energy and commitment of Dr. Dan Reidenberg and all of the staff at SAVE. The Board members come from a range of backgrounds and everyone is very focused on helping the organization move forward. I have also enjoyed getting to know others who serve on the Board and I'm looking forward to a time when we can see each other again in person.
