

OUR MISSION

To prevent suicide through training, education, advocacy, and support of suicide loss survivors.

SPONSORSHIP OPPORTUNITIES

SAVE is a national suicide prevention nonprofit working to end the tragedy of suicide through education, training, advocacy and support of suicide loss survivors. We envision a nation that prioritizes mental health and suicide prevention efforts while reducing the impact of suicide on families and communities. Programs like the [Suicide Awareness Memorial](#), school-based [Green Bandana Project](#), and our [One Step Ahead](#) suicide prevention training are just a few ways we work toward this goal while collaborating with other suicide prevention organizations nationwide. Advocacy efforts span a range of issues, from structural suicide prevention barriers and lethal means safety to online regulation protecting youth from social media harms. Fundraising and engagement opportunities are key in supporting our vital mission.

SAVE hosts and partners on a number of events including races and rides like [Run with the Herd](#), [Stride to SAVE Lives](#), [Tour de SAVE](#) and the [Natasha Lukacs Memorial Motorcycle Ride](#), golf tournaments, advocacy rallies and days of action, and creative programming not limited to concerts and comedy shows. SAVE seeks partners who are interested in sponsoring, collaborating, volunteering or donating to our events. Opportunities to get involved are listed below, and more information can be found on succeeding pages.

To commit to a sponsorship or discuss other partnership opportunities, contact [Erich Mische](#) at emische@save.org or at (651) 600-1188.

2025 DATE TBD

One of SAVE - Suicide Awareness Voices of Education's most mission-driven events, SAVE was honored to return its Suicide Awareness Memorial last year for the first time since 2019. The SAM event is a compassionate gathering designed to provide support, healing and remembrance for those who have lost loved ones to suicide. Its primary purpose is to create a safe space where survivors can come together to share their experiences, find solace and commemorate the lives of those they have lost. The SAM event features a reading of names, a memorial photo display, music programming, personal stories of loss and hope, resources and light refreshments. SAVE's mission is to prevent suicide through training, education, advocacy, and support of suicide survivors.

SAM MEMORIAL DISPLAY SPONSOR - \$3,500

SAVE commemorates those we have lost to suicide with a dignified, loving and powerful display of photos. This display features faces of those we have lost to suicide and remind attendees their loved ones are forever in our hearts and memories. The SAM memorial display sponsor will have prominent logo exposure in the display area.

PRINTED PROGRAM SPONSOR - \$2,500

Memorial attendees each receive a program brochure. The program includes the program agenda, sponsors and supporters of the event, and resource information for suicide loss survivors. The printed program sponsor will have prominent logo exposure on the front and inside of the program.

MENTAL HEALTH RESOURCES CENTER SPONSOR - \$1,500

SAVE welcomes other nonprofit organizations to present information and resources related to mental health and wellness and participate in the SAM event. The mental health resources center sponsor will have prominent logo signage displayed in the area where guests and attendees will visit participating organizations.

MUSIC PRESENTATION SPONSOR - \$1,500

Powerful music performance will help commemorate and celebrate the lives of those who have died by suicide and lift up suicide loss survivors. The music presentation sponsor will have prominent signage displayed on stage and any other performance areas.

REFRESHMENTS SPONSOR - \$1,000

SAVE will provide light refreshments for Memorial guests. The refreshments sponsor will have prominent signage displayed in the event's refreshments area.

To select a sponsorship or discuss other sponsorship options, contact [Erich Mische](mailto:emische@save.org) at emische@save.org or at (651) 600-1188.
