

OUR MISSION

To prevent suicide through training, education, advocacy, and support of suicide loss survivors.

SPONSORSHIP OPPORTUNITIES

SAVE is a national suicide prevention nonprofit working to end the tragedy of suicide through education, training, advocacy and support of suicide loss survivors. We envision a nation that prioritizes mental health and suicide prevention efforts while reducing the impact of suicide on families and communities. Programs like the [Suicide Awareness Memorial](#), school-based [Green Bandana Project](#), and our [One Step Ahead](#) suicide prevention training are just a few ways we work toward this goal. We also collaborate with other organizations dedicated to preventing suicide nationwide. Fundraising and engagement opportunities are key in supporting our vital mission.

SAVE hosts and partners on a number of events including races and rides like [Run with the Herd](#), [Stride to SAVE Lives](#), [Tour de SAVE](#) and the [Natasha Lukacs Memorial Motorcycle Ride](#), golf tournaments, advocacy rallies and days of action, and creative programming not limited to loss survivor storytelling workshops, concerts and comedy events. SAVE seeks partners who are interested in sponsoring, collaborating, volunteering or donating to our events. Opportunities to get involved are listed below, and more information can be found on succeeding pages.

To commit to a sponsorship or discuss other partnership opportunities, contact [Erich Mische](mailto:emische@save.org) at emische@save.org or at (651) 600-1188.
